

FOUR WEEKS AND A LIFETIME - of - MEMORIES

EST. 1907

BOYS & GIRLS 7-15

THE KOHUT WAY

Rich in the finest Maine summer camp traditions, Kamp Kohut has provided a magnificent setting and a wholesome environment for enriching children's lives since 1907. Our values-based program is carefully structured to promote a warm and welcoming camp community.

Surrounded by spectacular Lake Thompson, Kohut's 100 acres of lush woods and fields are the perfect backdrop for safe and fun youth development.

Outstanding attention to campers' well-being and to high quality instruction are hallmarks of our comprehensive and spirited 4-week brother-sister program. Our carefully orchestrated focus on detail, both in programming and cabin life, is designed to create lifelong friendships, skills, and memories.

Experienced, dynamic and nurturing staff are carefully selected and trained to build a close and safe camp community. Our core values of respect, kindness, self-improvement, teamwork, and tolerance are embodied in an atmosphere of warmth and fun. We celebrate each child's individual interests, abilities, and personal goals within the larger community to ensure his/her summer experience is truly special.

CAMP ACTIVITIES

Kohut is a place where children feel safe and have fun learning skills and pursuing a wide range of activities, regardless of prior experience or ability levels. We encourage and enable children to progress in expertise as far as they would like in whichever activities they choose.

ON-CAMP ACTIVITIES

We have an excellent program that combines structure with choice. Campers choose from over 50 different activities, six of which they select for a one-week block of time.

TRIPS & SPECIAL EVENTS

Nature based, off-camp trips to explore beautiful Maine and exciting all-camp Special Events complement the schedule and provide campers with a fun, well-rounded program.

- Academic Tutoring
- Aerobics
- Aqua Aerobics

- Yearbook

DEDICATED & EXPERIENCED LEADERS

Lisa Tripler & Dan Rapaport OWNERS AND DIRECTORS

Hands-on leadership is caringly given by dedicated Owners/Directors Lisa Tripler and husband Dan Rapaport. Lisa has been connected to Kohut for over fifty years and has a deep commitment to carrying on its rich tradition of quality camping and youth development. Lisa, Dan, and their two daughters have embraced decades of Kohut campers and staff as their extended family. After many years as a camper and counselor, Lisa & Dan's daughter Carly has recently joined the year round team, bringing her unique experience and enthusiasm.

Jenny & Steve Green ASSISTANT DIRECTORS

Husband and wife team, Steve & Jenny Green, began their tenure at Kamp Kohut in 1999, Steve as a Windsurfing Instructor and Jenny as an Office Assistant. After several summers of working in leadership positions and gaining more experience, they moved into Assistant Director roles, where they continue to share their passion for the Kamp culture and the outdoors. As parents themselves, they are committed to making a difference in the lives of children.

OUR STAFF

Kamp Kohut's high caliber program and warm, nurturing environment can only be accomplished under the attentive supervision of caring, dedicated and qualified staff. We have an outstanding counselor to camper ratio, and our counselors (who are all college age or older) are enthusiastic and positive role models. It is without question the people who make the place.

CABIN LIFE

Kohut's individualized program provides many opportunities to make friends with similar interests. Our cabin life offers another warm, welcoming and fun setting for making lifelong friends.

The primary type of accommodation at Kohut is a wood cabin with large screened windows, basic electricity, restrooms and showers with private stalls, and spacious cubby rooms for clothing and gear. Each cabin has a porch with benches for conversation, reading, or relaxing.

These cabins form two rows on the boys' and girls' sides of the bunk lines, with grassy lawns in between for playing games and spending time with friends. Although they vary slightly in size and shape, a typical cabin houses between eight to twelve campers and three to four counselors.

Our directors and leadership team are closely involved with cabin life, regularly going in and out of the cabins to connect with campers and staff, ensuring a kind, comfortable, and happy cabin environment.

FACILITIES

Kamp Kohut encompasses one half mile of shore frontage on Lake Thompson, a beautiful spring-fed, crystal-clear, eleven mile long Maine lake. We also have abundant playing fields, recreational areas, and indoor facilities for campers to use in their pursuit of adventure and exploration.

UNIFORMS

Kamp Kohut is a uniform camp. We find having a uniform is another wonderful way to build a sense of unity, remove social pressure, and eliminate competition or a focus on appearance. It also reinforces our wholesome atmosphere and proves practical when doing our wide variety of activities. Our colors are royal blue and white for campers, navy blue and white for staff. A few logo'd items are required for special occasions and off camp trips.

HEALTHCARE

We have three nurses who work and live at Kamp, and are available any time of day or night to help with any medical problems or health issues. Our nurses are typically moms who are extra sensitive to children's needs, taking care of everything from administering medication to soothing tummy aches. They follow carefully drafted protocols given by our local family medicine practice group. The nearest hospital is 15 minutes away.

MEAL TIME

We really want meals to be a relaxed time for delicious and nutritious food, as well as great conversation. Meals are served "family style" at tables of six, with thoughtfully assigned seating to give children the opportunity to sit with friends and to meet other members of our Kamp community. Boys and girls eat at the same time but sit separately. Each mealtime includes a main course, supplemented by a wide variety of healthy and tasty choices.

JOIN US AT KAMP KOHUT

www.kampkohut.com | info@kampkohut.com | 1-888 GO KOHUT (465-6488)

Summer: 151 Kohut Road, Oxford, Maine 04270

Winter: 2 Tall Pine Road, Cape Elizabeth, Maine 04107

We are located approximately 50 minutes northwest of Portland, ME, and about 3 hours north of Boston. We provide a number of chaperoned transportation options.
