Fall 2021 Edition

Dear Kohut Family,

Happy Thanksgiving!! We hope this message finds you and your family well, having enjoyed a pleasant and productive fall, and finding much to celebrate this holiday season.

A great deal has happened since last year at this time! While the pandemic and some of its challenges are still with us, vaccinations and COVID-19 protocols have enabled us to resume many of our normal life routines. For the Kohut family, one of the most exciting things to resume was being together at Kamp last summer -- and what a great summer it was!! We are very proud and grateful we managed to have lots of fun and not a single case of COVID. Well done, team! We look forward to being together and resuming even more of "normal" Kamp life next summer.

Thanksgiving is the perfect time to thank all the parents, kampers, and staff who made Kamp happen last summer and over the past 29 years we have been owners/directors. We are truly grateful. Despite some COVID accommodations in 2021, we had a blast. It was incredibly nice to be together, outside, with friends, doing fun stuff, having an enriching Kohut experience. We missed our overseas family members, but as the international borders open, we can't wait to see you next summer. The planning has begun!!

In the next couple of months, please keep your eyes open for an emailed link to the 2021 Slideshows and a hard copy of the Kaleidoscope. We hope these things will remind you of our fantastic summer together and look forward to Summer 2022.

Wishing you and your family all the best.

Sending lots of love and gratitude,

"Juniors Ready For Canoe Trip. Summer 1951

Excerpt from the Kamp Kohut Kronikle, Volume XLI, No. 7, August 24, 1951

The Permanence of Kamping

Breaking kamp brings to all of us a feeling of melancholy sadness. We are leaving things we have enjoyed, things that have kept us well and made us happy. The sports, the spirit of comradery, the friendship of those who are older and wiser than we, the view of the starlit sky at night, un-obscured by the tall buildings and the smoke-filled air of the city, the open air, and the broad, grass-covered fields in which we may play without the danger from a passing auto, and without any "Keep off the Grass" sign.

These are but a few of the things we are leaving. We cannot but be conscious that, in all the years to come, we can never see them exactly the same again. We will change, and the things we have here loved and enjoyed will change.

But breaking kamp, if it is to be of any permanent value to us, should bring us some fond hopes to mingle with our inner sadness. Among these fond hopes, for those of us who are the more thoughtful will be:

1. *That the parents, whose love and care have brought us thus far along life's way will see in us reason to be glad that they sent us to Kohut.*
2. *That we may get something from our friendships. They should not stop here. We don't want them to. Like the haunting aroma of sweet flowers, they should be present and enrich our inner spirits "all the days of our lives."*
3. *That something of the "bigness" of it all may go along with us and become a vital part of our future characters. Something of the majesty of the mountains we climbed on a hike. Something from the broad expanse of the lake as it lay quiet in the moonlight. Something of the spirit of fair play we have seen among many of our friends. Something of getting away from the petty things; of placing the emphasis on the things that count in the way of permanent values.*

If we can succeed in carrying away with us some or all of these, then two months at Kohut in 1951 will become a benediction to ourselves and others.

Remembering Daniel Aspey-Smith

It is with deep sadness we share the devastating news that Kohut's former Outdoor Education Director and beloved 5-year veteran Kohut counselor **Daniel "Daspey" Aspey-Smith** passed away suddenly on August 25th. We are heartbroken. Daspey was a kind, hard-working, good-humored, generous and wonderful person who shall be dearly missed by many, especially his Kohut family.

We have been in touch with Daspey's family and send them our sincerest condolences. A funeral took place on September 23rd in the Cotswolds. The Aspey-Smith family will be hosting a "Celebration of Life" later in the year.

We are collecting thoughts, pictures and video messages from our Kohut family to share with Daspey's family. Please contact us at info@kampkohut.com if you would like to contribute or want more information.

Daspey was a very special person who left a big mark on many hearts. The Kohut family will be doing something next summer to commemorate the big impact Daspey had on Kamp. Please look for details to follow later in the year.

Sending big hugs to our grieving Kohut family.

Friendships and memories from Kamp truly last a lifetime!

Lisa and Dan recently had the pleasure of having lunch with former campers Andrew Kane and Howard Ockman. Andrew and Howard attended Kamp in the 1960s back when NFL Hall of Famer Benny Friedman owned Kohut. Though their time at Kamp was over a half century ago, memories and names flooded back instantly!

We think Howard couldn't have said it any better: "Thank you so much for this afternoon's revisit to the people and places to which some of my best memories are bound. Kohut does have a spirit, and it was wonderful to hear how you continue to vivify it."
